Amendment - Accept Site Plan- 35,45 & 101 French Road Garden Village Plaza Redevelopment - Modification of Condition Number 9.

Sponsored By: Councilmember Rogowski, Supervisor Benczkowski

WHEREAS, pursuant to the Zoning Law of the Town of Cheektowaga, the Planning Board reviews various development review applications for site plans, rezonings, special permits and realty subdivisions and renders its recommendation concerning the compatibility of such application with the zoning regulations, the Town Master Plan and neighborhood character, AND

WHEREAS, the Town Board, pursuant to section 260-47.1C of the Zoning Law of the Town of Cheektowaga is vested with the authority to approve site plans and modify or reject any recommendation submitted to it by its advisory committees, AND

WHEREAS, Benderson Development Company, LLC submitted a development review application for the re-development of an existing retail plaza at 35,45 and 101 French Road, which includes the demolition of (2) existing automotive use buildings at 35 French Road and the demolition of 87,916 s.f. of an existing 117,754 s.f retail plaza building; and the construction of three (3) new warehouse /office buildings, AND

WHEREAS, 89,838 s.f. of the existing retail plaza building will be re-purposed for warehouse/office uses, and the three (3) new warehouse /office buildings will be 94,794 s.f., 26,712 s.f. and 143,669 s.f. respectively in area for a total combined building area of 355,013 s.f., AND

WHEREAS, the Town of Cheektowaga Planning Board, Cheektowaga Conservation Advisory Council , Environmental Advisory Committee and the Traffic Safety Committee have reviewed and commented on the Application and have recommended approval thereof, AND

WHEREAS, the project requires an area variance, for a proposed (10) ten foot high fence along the east property line, AND

WHEREAS, the height of the proposed fence is necessary, to mitigate potential noise impacts associated with the loading facilities along the east wall of the easterly proposed building, NOW THEREFORE BE IT

RESOLVED, that pursuant to Section 260-47-1 of the Code of the Town of Cheektowaga and Section 274-a of New York State Town Law that this Town Board approves the proposed site plan and hereby renders the following determinations with respect to the Applicant's request for Site Plan Approval for the Project:

- a. That the Site arrangement, size, design, lighting, and compatibility of buildings will function well both internally and with respect to surrounding uses and the community; and
- b. That the Project's vehicular access and circulation, including intersections, roadways,

- pavement surfaces, dividers and traffic controls appear to function efficiently if mitigation in the form of a public betterment is implemented by the applicant by reconstructing the traffic signals at the intersection of French Road and Scrivner Road and his/her easterly driveway long French Road; and
- c. That the proposed site provides for 388 off street parking spaces and, which will accommodate a maximum of 258 employees based on the town's parking requirements for warehouses/industrial uses; and
 - d. That the proposed pedestrian walkways when amended in the site plan will maximize the safety and efficiency of pedestrian movements on the Site; and
 - e. That the site's proposed drainage facilities appear to meet the demands of the Project; based on an initial review by the Town's Assistant Engineer; and
 - f. That water supply and sewage disposal facilities appear to meet the demands of the Project; based on an initial review by the Town's Assistant Engineer; and
 - g. That the Project incorporates adequate vegetation and trees when amended in the site plan; and
 - h. That the fire lanes and emergency access zones and provision of fire hydrants appear acceptable after an initial review by the Town Fire Inspector; and
 - i. That the drainage plans for the Project Site will minimize the likelihood of ponding, flooding and/or erosion; and
 - j. That the Project is not anticipated to generate significant vibration that could be detected by adjacent property owners; and
 - k. That the project is not anticipated to generate air pollution or objectionable odors; and
 - l. That the quality of surface water and sanitary sewer discharges will not be degraded as a result of the project; and
 - m. The Project will be both compatible with surrounding uses and is a significant improvement over existing conditions and the project is generally consistent with the Town's comprehensive plan.

In addition to the foregoing and as part thereof, the Town Board places the following conditions on the site plan approval:

- 1. The Town Engineering Department approve any amended final civil plans for which a preliminary review has already been done.
- 2. That 5 foot wide concrete sidewalks be installed along the French Road right of way; from the applicant's east property line to his/her west property line.
- 3. That an internal connecting walks be provided to the new French Road sidewalk and to the existing walk along Union Road, near the Union Road driveway.
- 4. The Cheektowaga Zoning Board of Appeals grants the necessary area variance for the project.

5. Additional trees be provided as requested by the Town Planner along the east yard, interior islands and westerly yards.
6. A refuse containment plan be provided for review by the Town Planner.
7. A truck circulation plan be provided with truck turning templates for review by the Town Planner.
8. That all improvements proposed within the Town of West Seneca be reviewed and approved by the Town of West Seneca.
9. ~~The applicant provide a traffic signal design for improving the intersection of Scrivner Road and French Road and file a permit with Erie County Highway Department for such signal construction work within 6 months of occupying 50% of the first building constructed.~~

The applicant provide a traffic signal design plan for improving the intersection of Scrivner Road and French Road and file a permit with the Erie County Highway Department for such signal construction work within 6 months of occupying 50% of the newly constructed 143,689 s.f. building. The applicant will not be required to meet this condition if the applicant secures access for the project to the existing traffic signal located at the intersection of Union Road and Gardenville Parkway.
10. If the applicant desires to utilize the premises for light manufacturing activities, including food processing that an updated air resource study and acoustical evaluation be provided to the Town for review and concurrence.
